

Visitor/Outpatient COVID-19 Screening

with an appointment

START:

Have you traveled outside of Iowa in the last 14 days?

AND/OR

Have you been in close proximity to anyone who has tested positive for COVID-19?

AND/OR

Have you or anyone you've been in close proximity with have **any** of the following symptoms:

- temperature higher than 100.4 F
- cough
- sore throat
- diarrhea
- shortness of breath
- muscle aches

----- NO

Visitor/outpatient replied NO to **all** questions and is not running a fever or symptomatic.

Give visitor/outpatient a sticker with current date to wear. Instruct them to keep the sticker on while at the medical center.

IMPORTANT:

If there is an extenuating circumstance, please call Employee Health at 515-620-8046.

Key Phone Numbers

- Emergency Room: 515-239-2155
- Employee Health: 515-239-2639 or 515-620-8046
- House Manager: 515-203-3300
- MICS/Security: 515-239-2109
- Supplies: 515-239-6872

----- YES

Visitor answers YES to **any** question, give visitor a packet and a handmade mask. Visitor should go home and self isolate for 14 days and if they're symptomatic contact their Primary Care provider.

Outpatient with an appointment answers YES to **any** question, give them a handmade mask and send them to their car to call their provider regarding the appointment to determine if they should be seen today/further instructions.
