

It's for you!

We help Iowans who are Deaf, Hard of Hearing, or have speech difficulties get specialized telecommunications equipment at little or no cost.

Telecommunications Access Iowa, a program created by the Iowa Utilities Board, provides vouchers that pay for 95% of the average cost of specialized telecommunications equipment. Through this program, you choose the equipment that best meets your individual hearing or speech needs.

Applying for a voucher is very easy and simple to do. There are many equipment options for you to choose from. Our goal is to help you get access to better communication!

Say hello
to better
communication.

Easy as 1 - 2 - 3

Applying for a voucher is easy! It's a simple way to offer you barrier free telecommunications access, leaving you free to connect with those who matter most.

Little to No Cost

When you receive your voucher, treat it like money. You will use your voucher to purchase your equipment.

Application Process

We respond quickly! Our streamlined application process will help you get the equipment you need right away.

"I use the app on my iPad which allows me to see what the other person is saying with captioning when I make a call...I love it!"

Wanda from Dubuque

Choose quality products with features you'll love.

Telecommunications Access Iowa is all about options and choices. You choose the equipment that best meets your communication needs - from traditional landline phones to wireless equipment.

Amplified Phone

Enhances clarity and allows the individual to adjust the tone and volume for their personal needs.

Accessories

Neckloop

Amplifies directly to hearing aids or earbuds.

Ringer

Alerts by means of flashing lights and loud ring.

Answering Machine

Amplifies recorded messages.

Speech Amplified Phone

Increases outgoing speech for those with a low volume voice or weak speech.

Captioned Phone

Displays captions on a built-in screen so the user can read the words through the Captioned Relay Service while listening to the voice of the other party.

Apple iPad & Mini

Includes preloaded apps designed to assist individuals who are Deaf, Hard of Hearing, or have speech difficulty.
