modern aesthetic

Latitude features a sleek metal frame with a tall leg. Soft curves and crisp edges accent the cantilevered wing tables and integrated center table. An inconspicuous yet generous vertical clean out aids infection control efforts while enhancing the overall design. Slightly domed

seats offer superior comfort and interior construction is designed to spring back to life, keeping fabrics looking fresh and new over a lifetime of heavy use. Renewable covers can be replaced on site. Arm caps and tables are available in solid surface or wood.
