

Instructions for accessing individual PAC contributions by organization

IHA PAC resources are under the Advocacy tab on the IHA website. Scroll down the page to see the IHA PAC Dashboard. Items to click are highlighted with **a red box.**

1. In the bar graph section, click the “By Hospital” in the Donation Category list.

2. Find your hospital in the list of the bar graph and click on the bar.

3. A small box will appear as you hover your mouse over that graph bar. The top right corner has a table icon, which you will need to click.

4. A pop-up window will open. In the top-left corner menu, click full data, and you'll see a list of each contribution attributed to the hospital selected.

The screenshot shows the Tableau 'View Data' window. The 'Full Data' button is highlighted in the top-left corner menu. The table below lists the contributions for the 'Medical Center'.

Summary	Account Name Calc	Goal Calc	Met Goal	Distinct count of Customer	Account Advanced Find View collected calc
Medical Center	\$3,500	True	1	\$10,000	

5. Finally, click the icon in the upper-right corner of the pop-up window to download the information.
